

Lightweight
Easy to Fold
Compact

The Parade is the perfect choice when looking for a lightweight, versatile rollator. Its design ensures easy manoeuvrability even in small spaces. Despite its lightweight frame, it is still very stable and offers outstanding value for money.

Easy-to-Fold Frame

The Parade features an integrated handle in the seat that makes folding easy. Simply slide the seat over and pull on the handle. It's that easy! The Parade stands independently, even in the folded position. It is a lightweight rollator that is easy to manoeuvre, even in smaller spaces. The Parade has a maximum user weight of 140kg/309lb.

Practical Accessories

The Parade comes with an assortment of accessories to make day-to-day life easier including baskets and backstraps. It is the perfect option for those outdoor adventures or for just moving in and around the home.

Ergonomic Grips

The Parade features ergonomic handles designed to provide users with reduced hand functions the ability to easily lock the wheels in place and comfortably maneuver the rollator while walking.
